

## GA FjHI 2021

As a result of the Corona crisis, the GA of FjHI 2021 was held by mail, just like in 2020.

As a board, we chose this procedure in order to meet the minimum legal requirements.

In preparation for this GA, all voting members were asked if they could agree to this procedure. For this we received the unanimous support of all affiliated studbooks.

All documents were sent to the voting members by e-mail.

These were:

1. The annual report 2020
2. The 2020 financial report with the positive auditor's report.
3. The list of candidates for election to the board or as substitute.

The procedure was concluded on 04/06/2021 and we were able to observe that all voting members expressed their unanimous support and approval for the documents and the candidates.

The composition of the current board is as follows:
